

WE COME IN PEACE

TWO LUMPS OF SUGAR

Hello, and welcome!

What a difference a decade makes. We began our journey with our 2010 debut **"Super Duper,"** and enter this new decade with **"We Come in Peace-2020,"** our next adventure.

We learned a lot over the years but never lost sight of our vision. Our planet, our home, our responsibility. I still remember years before **Two Lumps of Sugar** started, we were concerned about climate change, recycling and non-woven, eco-friendly products.

EARTH No single word can describe the richness of our planet. Our cultures, people, and the diversity that exists on our land and in our oceans is incredible! **Fantastic!**

Like many of us, I often wonder if we are alone or if life exists above us. At night I search the night sky, imagining new life forms, planets, and traveling to other worlds. By day, I work to help our planet, to deliver kindness to others, and exercise my smile to all. **Two Lumps of Sugar** has allowed my imagination to skyrocket.

Our **Two Lumps of Sugar 2020** collection is like living a dream. **"We Come in Peace,"** is both whimsical as well as heartfelt. The past, present and future are combined as one. Reminders of our years of **Groovy, Hallelujah, Oh So Super Duper, Phenomical, I Love Yummies, Café Deux Lumps,** and **I Love Cupcakes** fuel my team's imagination.

We invented our own **Two Lumps of Sugar** language by naming our branded products. Tuna Marias, Trunksters, Wally Washers, Trunkey Totes, Trunkey Donkeys, Pot Luck Totes, Happy Shoppers, Daily Doubles, Soup or Mugs, Silli Mitts and Silli Hotties, Nibble and Dribble, Wheeled Weekenders, Glamibellas, Bamboolamine, Lumpers, Mumpers, Trunkey Pals, Yummy-Go-Round, FlowerFetti, and Chillers, to name a few.

Two Lumps of Sugar products are as practical as they are functional. They bring happiness to chefs, tailgaters, gardeners, beach-goers, college students, quilters, farmers, seniors, fundraisers, happy campers, pet lovers, nurses, caregivers, teachers, and intergalactic travelers. They are used in households by organizations, businesses, schools around the world and beyond.

To all our customers past, present and future, we thank you for supporting our passions. Designing and creating unique products has been a joy for my team and me. We welcome you with open arms. Please join us on our incredible journey, where we promise to soar above and beyond the stars and protect our planet.

WE COME IN PEACE

Safely tote food!

We've designed a system of totes that work together for Transporting, Shopping and Organizing everyday, anywhere!

Eco-friendly & re-usable with thermal insulation to safely carry hot or cold foods and drinks.

Made from recycled materials, our totes fold flat to conveniently store at home or in your car.

For Celebrations & Special Occasions

Celebrate life w/ friends & family. Gather for parties, BBQ's, tailgating, holidays, potlucks and more!

Our TwoD Foodie totes make carrying food from the home to all your special occasions and gatherings easy!

Made from durable 600d polyester. Our totes are collapsible, yet structured to carry heavier items like slow cookers, bakeware, casserole plates or several dishes in one tote.

The thermal linings are designed to withstand higher temperatures for hot foods, and keep cold items colder longer.
