A person is shown from the waist down, wearing black pants and holding a black smartphone in their right hand. They are wearing white socks with red horizontal stripes on the left leg and a black and white graphic of a man's face on the right leg. They are also wearing white Nike Air Max sneakers with black accents and tan soles. The word "MOVIES" is overlaid in large white letters across the center of the image. The background is a blurred urban setting with a sign that says "THRU BUILD".

DID YOU KNOW???

The iconic headbands in Naruto were actually a result of laziness on the part of the creator Masashi Kishimoto? He originally created the main character wearing goggles but soon realized that he would need to show light reflecting on them. In order to avoid this, Masashi replaced them with a headband and soon all the characters were wearing one. Naruto is the 4th highest selling Manga series of all time and we are proud to offer several styles featuring characters and art from this incredible series.

DID YOU KNOW???

WWE and its origins date back to the 1920's?
And that WWE is so popular it has its own
TV Network??

Due to the WWE's
enormous fan base,
ODD Sox featuring
Legends and
Superstars
is always a HIT!

MEN'S CREW - WWE

Cheech & Chong

are a beloved comedy duo who rose to popularity in the 60's with their "doper joke" routines. They also starred in several movies including Up In Smoke - the godfather of stoner movies. Today they can be considered the "Patron Saints of Potheads". Isn't it high time you got yourself a pair of Cheech & Chong Odd Sox??

DID YOU KNOW???

Sox were once considered a status symbol? Nobles, royals and kings wore knee high stockings as a way to express their financial and class standings. Making fashionable and comfortable socks was a time consuming costly process.

While the cost of sox is no longer out of reach, we still think you can up your status by wearing ours - how about a pair of these money socks so you too can look well "like" money?!

ODD SOX BASIX

are the new standard for everyday multi purpose socks. Providing extreme comfort and unmatched quality, Basix are built for top performance at the most affordable level. With a moisture wicking fit designed to keep your feet dry and cushion your sole, these set the standard for multi-purpose socks.

Made for whoever you are and whatever you do, we guarantee you just found...

Your NEW Favorite Sox!!

CREW

Our most popular sock style is the mid-calf crew style perfect for everyday wear in every season.

QUARTER

Our Quarter socks fit slightly above the ankle and compliment your favorite high-top sneakers or ankle boot.

ANKLE

Our Ankle style fits just below the ankle and is designed to give a fashion shout out of color at the ankle.
Perfect for casual footwear or low top sneakers.

NO SHOW

Our no-show style comes equipped with a non-slip design. We added comfortable gripper pads at the heel that hug for full “stay-in-place” fit, perfect for low top sneakers, slip on shoes or fashion slides.

BASIX INFO

- Available in Men's Sizes 8-12
- Created for any lifestyle and activity from working to working out
- Constructed with lightweight combed cotton combined with other soft yarns, which provide maximum comfort and breathability for everyday wear
- The proprietary fabrication provides lasting stability which helps maintain the shape and color
